

THE KEY

QUARTERLY NEWSLETTER // VOL. I

Remain in me, as I remain in you. Just as a branch cannot bear fruit on its own unless it remains on the vine, so neither can you unless you remain in me. – John 15:4

Message from the Youth Minister

◀ Hello everyone! I pray this newsletter finds you in a time of rest, joy, and beauty. The Lord sees you, hears you, and knows the desires of your heart - may you find comfort in Him.

As the bible verse on the front cover says from John 15: a branch cannot bear fruit on its own, it needs the vine - we, too, cannot bear fruit without remaining in the Father's love. As we continue to press forward through all that life throws our way, let us not forget that we can simply do nothing without the Father's most merciful love.

And just as an encouragement, take some time to slow down this week. Press the pause button and rest in the Father's embrace. It's okay to stop, it's okay to not go all the time. Let us find the internal peace that we all so desperately yearn for being in Jesus' sweet, sweet presence.

My hope for this quarterly newsletter is to update you all on the happenings of Youth Ministry in our parish but for it to also be a place of encouragement on your faith journey. We are all called to be missionary disciples - to share the Gospel of Jesus Christ - not only by our words but even more so by the way we live. I invite you to step into that today; I pray that you may have the courage and boldness to share your love of Jesus to someone that you encounter today.

We are just getting started with our Summer Events (which you can find on the back). My hope for these events is to foster community for the teens and to bring our faith alive. Please pray for our teens, that they may come to know and love Our One True King.

In Christ,

Katelyn McKeen

Hopes for the Future

- Sending out a newsletter every 3 months to give updates on what is happening in youth ministry and tools to grow in your faith.
- Creating Discipleship groups for the teens to have a place that they can belong, grow in community, and learn about the faith. Mentors would lead these groups and they would meet once a week.
- Having guest speakers come in and talk to the teens about a specific topic that they are versed in.
- Doing more service projects for our community and church

Msgr. Steber and I are excited for what the Lord has in store for this year!
